

## YPT ACE INTRODUCTION

Welcome to YPT ACE!!! A totally awesome program for all Native American students attending Yerington Intermediate or Yerington High School in the 5<sup>th</sup> to 12<sup>th</sup> grade. ACE stands for Accessing Choices in Education so this program is all about choices. Students or Parents choose the service they want to participate in, complete the required forms, register for service and VOILA!

This grant will be around for at least 4 years, we have utilized a student and a parent advisory group to help us determine the services we want to provide. These are the services identified but does not have to be the only services, we can add, or we can change as you, the participants, decide.

We have set (\$) dollar limits for each service and YPT Education will be tracking each student. NEVER does the student have to pay, that will be all up to YPT Education. We CANNOT reimburse students or parents for any services or items purchased. You must go through the Service Provider listed to receive services or needed items.

If you have a need and it is educationally related please send an email or give me a call and let's see if we can figure out a way to get it provided.

Students MUST enroll on website – [yptace.org](http://yptace.org) or with YPT Education.

Must Complete:

- Student and Parent Survey
- Student Consent Form
- Parent/Caregiver Consent Form
- LCSD consent form
- Photograph release
- 506 Form

We are open and searching for more providers of any type of service that would be beneficial to our students' education. If you have recommendations or know of any please let us know.
